Correspondence of the Gazette. QUANAH, TEX., Nov. 4.—The indications are that J. C. Roberts is elected county judge, J. M. Dooley, formerly of Navarro county, clerk, and J. M. Allen, sheriff. The attached counties of Cottle and Motley are to be heard from, which may change the results as now understood. W. L. Gordon, the suspended county judge for the county school land frauds, and who, with a portion of the county commissioners, were indicted for their connection with the disposal of the county school lands, was a candidate for re-election, receiving almost no vote at all, running to vindicate his past conduct. Judge J. V. Cockrell and W. B. Houston, district attorney, are re-elected, also our noted Jim Browning to the legislature. We have elected a commissioners' court that will represent our county's interests.

Correspondence of the Gazette. CLARKTON, TEX., Nov. 3.—Returns from four precincts of Dooley and attached counties give the entire Democratic state ticket 108 votes. No opposition ticket is voted. For Congress, Lanham has 100 votes against five for Barnett. For judge thirty-first district, Willis has eighty-eight votes against seven for Grigsby. The county is so thinly settled that the entire vote of Dooley and eight attached counties will not exceed 150. The contest for county officers is personal, and the result will be in doubt until the returns of other precincts are in.

Correspondence of the Gazette. NEWPORT, TEX., Nov. 3.—Great rejoicing prevailed here last night over the Democratic victory and the defeat of the Dark-Lanternites. Bonfires were built, anvils fired, and there was general r. t. y. A large procession waited upon Hon. F. G. Bransford, representative-elect, who in an eloquent manner thanked the people for the honor conferred upon him, promising to serve them well, endeavor to advance their interests, and do all in his power for the cause of Democracy.

Correspondence of the Gazette. WISE COUNTY. Special to the Gazette. BRIDGEMONT, TEX., Nov. 5.—The Democratic ticket is far ahead here. Pickett is ahead for Congress. The opposition is snowed under about three to one.

Special to the Gazette. ELLIS COUNTY. ENNIS, TEX., Nov. 5.—The official count was concluded here at 4 o'clock this afternoon. The result was pretty nearly predicted in the special sent from here since election. Ross and the Democratic state ticket poll 801 of the total vote, Cochran 136 and Dahoney 83. In the congressional vote Judge Abbott carries the box by a handsome majority, the vote standing Abbott 713, Norton 135, Kearby 163. The Prohibitionists are at a loss to account for the woeful falling off of their ballots compared with their predictions on election day claiming 250. They polled only 83.

Special to the Gazette. TARRANT, TEX., Nov. 5.—The usual quiet which always follows a storm has struck this city. The returns are not all in yet, but enough have arrived to show conclusively that the state, congressional, senatorial and district Democratic ticket, carried Bowie county by overwhelming majorities, though it is utterly impossible to get the vote polled for the candidates until the official count is made next Monday. The vote this year shows a small increase

over the vote polled in this county in 1894. The successful candidates for county officers are as follows, with the exception of the race for county judge, which is so close between Lery and Smelter that it will be an official count to decide it. For county attorney, J. J. King; for sheriff, E. F. Hardest, re-elected; for county treasurer, Warren Jones, re-elected; for tax collector—William Arbuckle, re-elected; for tax assessor—J. G. Holloway, re-elected; for county clerk—T. J. Wallington, re-elected; for district clerk—Lewis Alexander, re-elected without opposition; for surveyor—A. S. Christopher, re-elected.

Correspondence of the Gazette. RUSSELL, TEX., Nov. 4.—A much larger vote was polled than was expected. There are supposed to have been about 450 votes cast in the county, an increase of 150 over two years ago. The race for representative will be close between J. L. Chambers of this county and L. L. Shields of Coleman county. Joseph Sayers for Congress has received all the votes in the county but about six.

Correspondence of the Gazette. CROCKETT, TEX., Nov. 4.—Enough is known to assure the election of the entire Democratic ticket. Hon. John H. Reagan is re-elected to Congress without opposition. W. W. Davis for senator of the Eighth district; representative of Tenth district, W. P. Page.

Correspondence of the Gazette. ANSON, TEX., Nov. 4.—In precincts 1 and 2 the state Democratic ticket, including Lanham for Congress, received 240 votes, and Prohibition and Dr. Barnett 7 votes, the Republican ticket none. There were not exceeding 20 votes cast against the Democratic ticket in Jones and attached county, Stonewall. The entire vote will be about 500.

Correspondence of the Gazette. GLENROSE, TEX., Nov. 4.—A full vote was not polled, as a large number of people were out of the county. Ross and the state ticket, Democrat, received 500 votes. Duohony, for governor, received in the county, 33 votes. S. W. T. Lanham carried the county by 450 majority over Barnett. L. N. Frank for state senate, defeated Davis by 350 majority. W. L. McGaughey, Democrat, and J. B. Barry, Independent, are ahead or representative.

Special to the Gazette. MCKINNEY, TEX., Nov. 5.—The final count gives Hare, 1865; Mack, 2368; Pickett, 968. G. S. Hurling, for doctor, carries Collier by 150 over J. D. Naylor, the regular Democratic nominee, William Allen, for senator, beats Kendall, the nominee, by 200. Dr. J. B. Wright is elected representative over E. W. H. Shilburne, the regular Democratic nominee. Hurling and Wright are understood to be Terrell men. In the local contest between the nominees of regular Democracy and opposition, the Democrats will be short of county attorney, treasurer, collector and county clerk, and the opposition the other county officers.

Special to the Gazette. ABILENE, TEX., Nov. 5.—The election for county officers in this county resulted as follows: Judge, H. A. Porter, county attorney, S. P. Hardwick; sheriff, V. Cunningham; county and district clerk, D. J. Rod; treasurer, J. O. Anderson; assessor, John B. Nell; animal and hide inspector, D. L. McDaniel; county surveyor, J. A. Thomas; public weigher, Charles E. Pratt. In this precinct for justice of the peace, T. W. Daugherty; constable, R. E. Burch; commissioner, R. A. Pollard.

The above ticket, with two exceptions, were all re-elections, showing that the people were satisfied with their last year's officers.

Special to the Gazette. DENTON COUNTY. DENTON, TEX., Nov. 5.—The returns are all in, and show the vote polled in the county to be about 3700. The state Democratic ticket received 2603; Republican, 333; Prohibition, 404. For Congress Hare received 1677; Pickett, 695; Mack 977. Allen's majority over Kendall, Democratic nominee for senator, on a final count, proves to be 480. Bell, Democratic nominee for representative, has a plurality over Bush, Independent candidate, of 359. Naylor, Democrat, for doctor, has a majority over Huling, Independent, of twenty-four votes. J. W. Cooke is elected tax collector by a plurality of twenty-nine, instead of G. P. Davis, as was stated yesterday.

Special to the Gazette. ROCKWALL, TEX., Nov. 4.—The county vote was a little less than two years ago. Pickett, for Congress, received more than twice the vote of Hare and Mack together. The Prohibitionists polled about 70 votes in the county. Heath, for doctor, has an overwhelming majority. The sheriff's election is a tie between Williams and Brown. For detaching a part of Collin county and attaching to Rockwall county, the vote was almost unanimous.

Special to the Gazette. HAMILTON COUNTY. HAMILTON, TEX., Nov. 5.—The Farmers alliance ticket carried in this county to the extent of the defeat of sheriff and county clerk. Gentry, for sheriff, was beaten by the alliance; also, T. C. Pierson, county clerk, was defeated by R. P. Edgar, the nominee. The supposition is that J. J. Durham is defeated for the legislature by A. C. Graves of Coryell, who was voted for by the alliance; also, Geo. P. Miller for district attorney is supposed to be snowed under by J. P. Est's of Hood county.

Special to the Gazette. LADONIA, TEX., Nov. 5.—The whole number of votes polled here was 156; in the last election 600. Ross received 147 votes, Duohoney 5. Senator, Thirty-first district, H. D. McDonald, 147; M. W. Connolly, 5. Congress: Calhoun, 146.

which the two boxes to be heard from will increase to 550. Ross' vote is 1200 ahead of Mills.

Special to the Gazette. EL PASO COUNTY. EL PASO, TEX., Nov. 5.—The official count of the ballot for state officers in this city was completed to-day, and is as follows: Ross, for governor, 730 votes; Cochran, Republican, 438 votes. W. Barcott, Independent Democrat, for the same office, 458 votes; P. H. Burney, for state senator, no opposition, 471; Baylor, for the legislature, 720 votes, and Yandell, his opponent, 397 votes.

Special to the Gazette. NAVASOTA, TEX., Nov. 5.—The report sent you last night was incorrect as regards Post's election as sheriff. The count shows W. U. Post, Democrat, 1454, Garrett Scott, Independent, 1455—one vote majority for Scott. His election will be contested on the grounds that the two first votes cast at this poll were put in the box but were not numbered, and were on the count thrown out, although the clerks commenced numbering the vote at No. 3, with no numbers one and two. The two votes were for Post. Other irregularities are charged as well. Considerable excitement is a great deal of hot talk is being indulged in by the adherents of the two parties.

Special to the Gazette. GALVESTON COUNTY. GALVESTON, TEX., Nov. 5.—Excitement over the election has entirely passed away. The Sixteenth and last precinct made its returns to-day. Total vote of Galveston county for governor is 5928, of which Ross received 4099; Cochran, 1229. For Congress, Crain received 4793; Haynes, 498. F. M. Nichols, for county assessor, received 5893, the highest vote received by any candidate on the ticket, not even excepting Gov. Ross. Nichols had no opposition. He was the only candidate on the entire county ticket who did not have one or more opponents. He is the son of the late Gen. Nichols, one of the pioneers of Texas.

Special to the Gazette. ST. PAUL, MINN., Nov. 5.—Three entire days have passed since the polls closed, and it is not yet certainly known who is to be the next governor of Minnesota. Both parties still claim the election of their respective candidates, and charges of fraud are made, and there are prospects of a protracted contest, and possible litigation. The Evening Dispatch has the following summary: Forty complete counties give McGill 8205, Ames 17,353. Twenty-six nearly complete counties give McGill 9406, Ames 3011. Fifteen only reported: McGill 1280, Ames 957. Ames is in the lead by 1600. At the Pioneer Press it is claimed that the official returns to-day received have increased the majority of 2832 it figured out for McGill this morning about 1000, so that his majority now stands at about 3500. This is on the basis of the official returns from forty counties and comprehensive but not complete returns from all the others.

NAVASOTA, TEX., Nov. 5.—The report sent you last night was incorrect as regards Post's election as sheriff. The count shows W. U. Post, Democrat, 1454, Garrett Scott, Independent, 1455—one vote majority for Scott. His election will be contested on the grounds that the two first votes cast at this poll were put in the box but were not numbered, and were on the count thrown out, although the clerks commenced numbering the vote at No. 3, with no numbers one and two. The two votes were for Post. Other irregularities are charged as well. Considerable excitement is a great deal of hot talk is being indulged in by the adherents of the two parties.
